わびさびジャパンペールエール

Wabi-Sabi Japan paleale

Wabi-Sabi is a uniquely Japanese and hybrid version of the craft beer world's two most popular styles: Pale Ale and IPA.

Local Japanese wasabi and green tea are combined deftly with several varieties of herbal-character hops.

The flavor is bold, yet underpinned by a 'quiet simplicity and subdued refinement.'

アングリーボーイブラウンエール

Angry Boy Brown Ale

Beneath the cool façade of this superior, a red-hot flame of intensity, determination and, yes, anger burns.

So it's with this unpredictable Brown Ale: fleeting malty sweetness and warmth hide complexity, a barely controlled bitterness, and, naturally, a bit of an angry edge.

修繕寺ヘリテッジヘレス

Shuzenji heritage Helles

Helles Lager is one of the great heritage beer styles of Germany's Bavaria, a region renowned for its beer culture.

Shuzenji Heritage Helles is smooth, quenching and perfectly balanced.

黒船ポーター

Kurofune Porter

Kurofune (meaning 'Black Ships') is the word Japanese used to describe the American gunboats that came to open Japan to Western trade in the 19th century.

Kurofune Porter is sleek and forceful, but leaves a winning bittersweet taste of chocolate and coffee on the tongue.

響

Hibiki Japanese Harmony

Glass Single 460.-
Double 920.-
Bottle 9800.-

Hibiki Japanese Harmony is made with malt whiskies from the Yamazaki and Hakushu distilleries, as well as grain whisky from the Chita distillery. The whiskies are drawn from 5 different types of cask, including American white oak casks, Sherry casks and Mizunara oak casks. The blend itself was crafted by the Suntory Whisky blending team, led by Master Blender Shingo Torii. An elegant expression, with wafts of honey, orange, a herbaceous touch or toasted light oak.

イチローズモルト

Ichiro's Malt オ!

Glass Single 280.-
Double 560.-
Bottle 6000.-

The key malt produced for blending is combined with malt bases from 9 different distilleries and grain whiskeys from 2 different distilleries. Features a top note of refreshing citrus fruit, a straightforward, gentle taste without any off flavors, and an elegant sweetness derived from wheat. Recommended straight or diluted with soda.

ニッカ カフェモルト

Nikka Coffey Malt

Glass Single 280.-
Double 560.-
Bottle 6000.-

This unique expression was developed in 2013 as a result of Nikka's continuous experiments to widen the variety and offer more excitements to aficionados. Made from 100% malted barley, whisky distilled in a Coffey still is matured in old casks to enhance the rich maltiness, complexity and a silky texture. This expression is not categorized as "malt whisky" but as "grain whisky" since it is not distilled in a pot still.
